

Commemorating the 150th Anniversary of the American Civil War (2011), we are pleased to announce the publication of

THE DEFINITIVE PICTORIAL HISTORY OF THE AMERICAN CIVIL WAR

Jay Robert Nash

One of the greatest visual reference works ever offered, the *Definitive Pictorial* is the most comprehensive visual history of the American Civil War ever produced. No collection is complete without this work. More than 10,000 color and black & white images; more than 1,000 images in each of ten volumes, 400-450 pages (8-1/2" x 11") per volume plus index, all on a matched CD-ROM set.

FEATURES

- More than 10,000 images, including color and black-and-white paintings, illustrations, photographs, posters, maps, many never before published, all from the author's unparalleled forty-year collection.
- More color images than ever before published in a single work.
- Comprehensive narrative and captions accompanying all images.
- Vivid images for every major battle and campaign on land and water and many minor skirmishes, engagements and operations in chronological sequence. Includes comprehensive Index and List of Illustrations.
- Images for all major and many lesser-known military, political, and social leaders on both sides of the conflict.
- Volume X offers scores of images for camps, forts, prisons and ships, and scores of images for films based upon the American Civil War.
- Offered exclusively in high-resolution PDF format. ISBN: 1-928831-63-X
